City Launches SeniorCityzen Resource

SEAL BEACH, CA. – The City is pleased to announce the launch of SeniorCityzen, a senior resource that was started to support and check in with seniors who are socially isolated as a result of the COVID-19 stay-at-home orders.

The resource allows Seal Beach seniors to connect with City staff (volunteers) who may schedule a call to receive regular check-ins via telephone to chat and/or to receive referrals to community resources during this difficult time.

Seniors that are interested in participating may email SeniorCityzen@sealbeachca.gov or call 562-431-2527 extension 1600. Seniors are asked to leave their name and phone number and staff will return their email/call to set up a chat and/or answer any senior resource related questions. SeniorCitizen is geared toward people 60 and above who are facing social isolation and are looking for someone to talk to, along with getting referrals to other senior-centric organizations.

For more information about SeniorCityzen, please contact Assistant City Manager Patrick Gallegos at pgallegos@sealbeachca.gov or 562-431-2527 ext. 1308.
